

Vitas Chardonnay

Vitas

Italy - Friuli - Friuli DOC

Straw yellow color with greenish overtones, intense and warm bouquet, full-bodied palate supported by a light acidity and a fine mineral character. Well-balanced and a velvety finish.

Specifications

Appellation	Friuli DOC
Varietals	100% Chardonnay
Agricultural Practices	Sustainable
Soil type	Alluvial clay, sand and rock.
Vinification	The grapes are hand-harvested towards the end of August and beginning of September and gently whole-cluster pressed. The free-run juice is kept separate and allowed to cold settle prior to alcoholic fermentation. The young wine remains in tank on its lees, with periodical stirring until bottling.
Pairings	lean hors-d'oeuvres and entrees, delicate soups, fish and cream cheese.
