

Xavier Vignon Arcane l'Etoile Beames de Venise Rouge

Xavier Vignon Vins

France - Rhone Valley - Beames de Venise AOC

All the wines from the Arcane range are limited edition. They are the reflection of something extraordinary that happened in the vineyard. The Arcane Etoile is a multi vintage blend from 2015-2016-2017 that reveals the complexity and remarkable freshness of these high altitude Beames de Venise terroirs. Maceration with viognier skins.

The Beames de Venise terroir neighbours Gigondas and Vacqueyras. These Triassic soils (sand, limestone, clay) at the foothills of the Dentelles Sarrasines and the Grand Montmirail were specifically chosen for their high altitude (up to 600 metres above sea level) in order to impart freshness and elegance to the wine. The objective here was freshness and counterbalancing the impact of global warming.

It has something profound in its texture and balance. Notes of black raspberries, currants, dried flowers, lavender, and pepper are followed by a beautiful, full-bodied, elegant wine.

Specifications
