Specifications

Appellation	Barolo DOCG
Varietals	100% Nebbiolo
Vinification	Manual harvest, first week of October. The grapes are delicately pressed and the stalks are removed. The limpid must ferments in stainless steel vats at a controlled temperature of 26°C with a maceration for 20/25 days. After racking, the new wine is put in part into oak Casks for a long months. In the bottle it collects all its characteristics and then reaches the market and the table
Pairings	Quercia nelle Langhe Barolo La Morra
