

Rebuli Prosecco di Valdobbiadene Extra Dry

Azienda Agricola Rebuli

Italy - Veneto - Valdobbiadene Prosecco Superiore DOCG

A fine noble wine with a bright straw color, made from a selection of Glera (Prosecco) grapes, which highlights the flavors and perfumes of the area. It has some toastiness, fruitiness and floral notes. On the palate one finds figs, green pear, white peach, orange, pineapple and almond. Well-balanced with a nice creamy texture and long pleasant finish.

Specifications

Appellation	Valdobbiadene Prosecco Superiore DOCG
Varietals	100% Glera (Prosecco)
Soil type	Calcareous and clay
Vinification	Manual harvest. After gentle pressing, primary fermentation in controlled temperature by selected yeasts. Refined in stainless steel tanks. Secondary fermentation in 'autoclave' (cuve close) at controlled temperatures with selected fermentation until 5 bar pressure is reached. 60 days fining, isobaric bottling after sterile filtration.
Pairings	It is an excellent aperitif, and is also suitable for vegetable soups and shellfish dishes, pasta with delicate meat sauces, fresh cheese and white meat.
