

# Riebeek Sauvignon Blanc

## Riebeek Cellars

### South Africa - Western Cape - Coastal Region - Swartland

Due to warm, dry conditions in the Swartland, this Sauvignon Blanc is a more tropical style of Sauvignon Blanc. The vineyards are planted on cooler sites where there is some cool, maritime influence from the West Coast. This achieves a style of wine that has delicate green notes, complimented by yellowstone and tropical fruit, a touch of minerality and a crisp, lively acidity.
