

Segries Lirac Rouge Secret de la Grange

Chateau de Segries

France - Rhone Valley - Lirac AOC

This is a special cuvée from Chateau de Segries. It was first released with the 2013 vintage. It is not made every year, but only when the harvest is of a particular level of quality. They also made 2015 and 2016 so far.

Dark and inky, with intense and complex aromas. Lush strawberry and blackberry fruit flavors combine with spice components, garrigue, pepper and licorice. Long and pleasant finish with round, well-integrated tannins.
