

Siegel Special Reserve Sauvignon Blanc

Vina Siegel

Chile - Aconcagua Region - Leyda Valley

The Special Reserve wines represent the union of tradition and innovation in two generations. The grapes are sourced through careful selection of their best vineyards in the cool coastal Leyda Valley region. Siegel Special Reserve Sauvignon Blanc offers a pale yellow color with green hues and reveals intense and complex aromas of grapefruit and pear accented by mineral notes. The palate is balanced and juicy with a vibrant acidity and a soft, lingering finish.

Specifications	
Appellation	Leyda Valley
Varietals	100% Sauvignon Blanc
Vinification	Early morning harvest, then fermentation at 14-15 degrees C. After alcoholic fermentation, part of the wine is left on the lees. Once blended and clarified, the wine undergoes cold stabilization and is filtered through the soil. Filtered again on the bottling line (through sterile sheet and membrane to ensure microbiological stability). No oak.
