

Couvreur Blossoming Auld Sherried Single Malt Whiskey

Michel Couvreur

France - Burgundy - Bouze-Les-Beaune

This single cask Whiskey is produced only from malt spirit distilled in Scotland and matured in a fresh cream sherry oak cask. Prior to bottling, its natural strength 51% alc./vol. is reduced to 45% alc./vol. Dark amber robe with a reddish tinge. Fragrances of Sherry, flowers, vanilla, dried fruits. Mellow, and long in the mouth. A fabulous balance between sherry's warmth and the fresh flavors only barley can produce. To be preferably consumed after diner at room temperature. Blossoming Auld Sherried is the perfect demonstration of sherry impregnated wood's greatest significance.
