

Dry Fly Port Finished Wheat Whiskey

Dry Fly Distillery

United States - Washington - Spokane

Wine meets whiskey and true excellence is born! Dry fly wheat whiskey is aged for 3 years in new, American oak barrels. Then transferred to freshly dumped port wine barrels to rest addition 9-12 months. The result is truly stunning! Perfect in your next Manhattan or a single cube.

Specifications	
Proof	90
Still Type	Wheat Whiskey
Aging	Huckleberry port casks
