

# Dry Fly Wheat Whiskey

Dry Fly Distillery

United States - Washington - Spokane

The first whiskey that Dry Fly ever created. With its 100% wheat mashbill, this is the perfect whiskey for someone looking for a light, smooth, easy drinker. Made completely from local grains, it truly is a wonderful offering.

At first appearance, this whiskey shines bright like a freshly polished copper penny. On the nose, it is slightly spicy and after a bit of time, the nose revealed big caramel tones, with hints of butterscotch pudding, tangerines, almonds, tupelo honey and hay. On the palate, neat this whiskey was very soft, almost like a baby's blanket caressing my tongue, with freshly baked orange scones, cinnamon toast, white pepper and peppermint notes.
