

Terra Barossa Cabernet Sauvignon

Thorn Clarke

Australia - South Australia - Barossa Valley

The range is named in honor of the rich soils in the region which are a major factor in the Barossa's reputation as one of the great wine regions of the world.

Deep red with hints of garnet at the edge of the glass. Blackcurrant and liquorice fruit paired with subtle leaf and savoury spice on the nose. The palate is ripe and rich with balanced fruit and oak. Varietal flavours of cassis, nutmeg and plum lead to fine grained, savoury tannins.

Specifications

Appellation	Barossa Valley
Varietals	100% Cabernet Sauvignon
Certifications	
Vinification	The grapes are crushed and de-stemmed into fermenters. Yeast is added immediately once in fermenter and the ferments are pumped over twice daily to maximise colour, tannin and flavour extraction. Cooling is used to ensure ferment temperatures remain in the 22-25 degree Celsius range which will allow the fruit to display maximum fruit expression. Pressing then occurs approximately seven days after crushing and the wine is then put into French oak for maturation for up to 12 months.
