Trione Henry's Blend Alexander Valley

Trione

United States - California - Sonoma County

Essence of brambly wild berries are the first impression on the nose. A silky soft palate entry with a well-knit tannin structure, supple yet with form and substance. This wine evolves in the glass from subtle fruit aromatics to ever evolving notes of cedar, plum, allspice and black currant.

Specifications

Appellation	Sonoma County
Varietals	35% Cabernet Sauvignon, 34% Merlot, 13% Petit Verdot, 13% Cabernet Franc and 5% Malbec
Vinification	The grapes were all hand harvested, sorted and sent directly to small open top fermentation tanks. The fermentations were done using a unique cap irrigation device that brings in air as the free-run juice is being circulated over the cap during the peak of fermentation. This technique ensures the binding of tannins with the color compounds found in the grapes as well as maximizing proper yeast cell health and viability. The wine aged 18 months in French oak barrels (40% new) from coopers Taransaud, Vicard and TW Boswell.
Production	5,588 (9-liter cases)
