Trione Syrah Russian River Valley

Trione

United States - California - Russian River Valley

The epitome of cool climate Syrah. Intense and inviting, earthy, peaty but with concentrated fruit flavors of plums, blackberries, blueberries and black cherry all mixed together. Savory yet sweet, this wine just lingers on the palate. Paired with a rich lamb stew, smoked meats or your favorite Fall holiday meal, this wine will shine and develop beautifully for the next 5-7 years.
