

Trouillard Blanc de Blancs Brut

Champagne Trouillard

France - Champagne

The Champagne is made of 100% Chardonnay grown on 11 different Crus in the Reims Mountain, the Côtes des Blancs and the Sézannaise region. It is Trouillard's house specialty.

It shows a green-gold color - characteristic of Chardonnay - with fine persistent bubbles. This wine offers aromas that jump out of the glass and are very inviting. On the nose there are seductive scents of warm almond croissant and honey, lightened by some floral notes. Crisp and refreshing in the mouth and lively with a very refined fruitiness and a touch of smokiness typical of wines from the Côtes des Blancs.
