

Willowcroft Albarino

Willowcroft Farm Vineyards

United States - Virginia

Willowcroft started planting albarino in 2010 after Lew visited Galicia in Spain trying to find a replacement for Chardonnay that had been lost to flavescence doree. The wine is dry with earthy citrus & mineral notes and a touch of peach on the finish.

Specifications

Varietals	100% Albarino
Vinification	No Oak. Aged on the lees for 7 months.
Pairings	Great with ethnic seafood and chicken dishes.
