2018 PINOT NOIR SONOMA COUNTY

WINE NOTES Raised with minimalistic methods, including native fermentations, and minimal new oak impact — this wine is immediate, fruit-driven, pure, fresh and complex.

VINEYARD Sourced from multiple sites residing on the floor of Bennett Valley, up to 1000' on the northwest crown of Sonoma Mountain. The push-pull nature of 2018's valley floor and high-elevation, hillside fruit creates a complex Pinot Noir, that balances the fruit-forwardness of Sonoma, with beaming minerality and a warming savoriness.

WINEMAKER NOTES – *Singularly great, 2018 is an all-time vintage achieving rarely experienced heights. A mild summer gave way to Autumnal perfection, allowing cooler areas the opportunity to ripen their crop while chemistries remained perfect. What arrives in bottle is nothing short of a pinnacle representation of Sonoma County Pinot Noir — purity of red Pinot Noir fruits, caressing textures balanced by true minerality and refreshing acidity*
