2019 CABERNET SAUVIGNON SAGE RIDGE VINEYARD, NAPA VALLEY

WINE NOTES An one-of-a-kind terroir that produces thrilling wines built for immense near-term gratification, while also harboring near-term aging potential.

VINEYARD A dramatic, ridgetop landscape—rising 1500 feet above Lake Hennessey, staring west over Pritchard Hill—persistently wind-swept by the push/pull draw between the valley floor and Lake Berryessa. This wild, untamed, eastern frontier of Napa Valley produces singular, terroir-driven wines of captivating beauty, power and lift.

WINEMAKER NOTES *An unseasonably wet and cool springtime produced significant shatter at Sage Ridge in 2019, reducing our yields by 50%, leading to a particularly flamboyant edition of this wine! Gorgeously pure red fruit character, delivered on a ribbon of ultra-suave tannins and seductive high tones. The palate never relents its come-hither posture. Aromatically, it puts forth an intriguing botanical complexity that is unmistakably site-specific.*

PRESS *'full-bodied, concentrated and dense, framed by soft tannins and seamless freshness'* -95pts, WineAdvocate
