

ARGOT

2016 SYRAH

POSTED

SONOMA MOUNTAIN, SONOMA COUNTY

WINE NOTES No Syrah terroir in Sonoma County compares with Sonoma Mountain's northwest crown—cool fog-affected mornings, sun-bathed afternoons, cooled by persistent coastal breezes, and temperate evenings. Raised 20 in a mixture of French oak of hogshead and barrique shapes.

VINEYARD Steiner Vineyard. Located at 1,100 ft, on the northwest crown of Sonoma Mountain. The soils are ashy and moondust-like, littered with decomposing sea bed.

CUVEE 100% Syrah, Alban 1 and Alban Powerblock selections.
