2016 CABERNET SAUVIGNON STARSTRUCK NAPA VALLEY

WINE NOTES Sourced from a broad range of Napa Valley terroirs, Starstruck shows significant personality, depth and complexity. By adding 10% Merlot in 2016, this wine's cool-climate Cabernet character is given depth and approachability.

VINEYARD Sourced from four Napa Valley vineyards — Suscol Ranch's orange, iron-laden soils; Sugarloaf West's steep, west-facing hillside; Sugarloaf East's south-facing, rock-riddled soils; Sage Ridge's geographically dramatic ridgetop vineyard in far-eastern Napa.

JEB DUNNUCK *94pts - Offering more density and depth, as well as the classic purity of fruit that makes this vintage so compelling. Ripe, powerful notes of blueberries, cassis, green tobacco, and graphite all flow to a full-bodied Cabernet that has loads of fruit, ripe tannins, good acidity, and the class to evolve for upwards of two decades. Bravo!*
