

Domaine de Pierres

Walla Walla Valley - 2016

95 pts

JAMESSUCKLING.COM 

"This has strident peppery notes with a layer of sappy whole-cluster fragrances and complexity as well as fresh charcuterie meats, smoky notes and graphite. Red plums and blackberries lurk beneath. The palate has deep chocolate and cherry fruits. Very suave, supple tannins carry dark plums, dark chocolate and energetic freshness to the finish. Give this 2-3 years to integrate."
