

BOICH FAMILY CELLAR

One of Napa Valley's oldest vineyards, Beckstoffer Missouri Hopper yields ripe fruit full of balance and power. Thick, dense and expansive, the wine shows dark fig and cassis preserves, dried cherry and strawberry. Clone 337 from this historic site in southeast Oakville, a touch of molasses and stick spices linger throughout. Despite its saturation and size on the palate, the flavors roll perfectly together through a long and inky finish. This wine has the ability to taste great upon release and cellar well beyond while building complexity and nuance.
