WINE ENTHUSIAST

"This bubbly pink blend is one of the better canned wines on the market, regardless of style. A blend of 57% Grenache, 18% Grenache Blanc with bits of Mourvèdre, Roussanne, Carignan and Cinsaut, it shows rounded watermelon, nectarine and grapefruit-

rind aromas on the nose. The palate is crisp with strawberry, melon, red-apple and tart plum-skin flavors."
