explore all things wine

"(raised in a 50/50 combination of new and used French and American oak barrels for 18 months) Vivid ruby-red. An expansive, highly perfumed bouquet evokes ripe black and blue fruits, cola, incense and toasty oak, with a sexy floral overtone. Silky and broad on the palate, offering concentrated black raspberry, cherry-vanilla and coconut flavors that become spicier with aeration. In an emphatically fruity style, showing solid closing thrust, strong persistence and gently gripping tannins. - Josh Reynolds"
