"(raised in a combination of 80% concrete tanks and 20% 300-liter oak barrels, a quarter of them new) Bright ruby. Spice-accented aromas of black raspberry and cherry liqueur are complemented by sexy floral and smoky mineral overtones. Sweet and expansive in the mouth, offering juicy red and blue fruit flavors complicated by hints of allspice and candied licorice. Silky and energetic in character, delivering firm finishing thrust, slow-building tannins and strong, mineral-dominated persistence. -Josh Reynolds"
