Chakana, who is certified biodynamic, owns 193 hectares of vineyards, spread across sites in Lujan de Cuyo and Valle de Uco.

ABOUT THE WINE

Chakana is the name of the Southern Cross constellation. Its rotation in the sky throughout the year made it an effective agricultural calendar for the ancient Andean people.

The "yaguarete" (jaguar) on the label was known by the ancient Andean people as the "lord of the starred night"; the wildest known animal.

Expressive and ripe nose, juicy texture and intense fruit. Excellent balance, well integrated tannins and stunning minerality.
