

Domaine de la Croix Senaillet

SAINT - VÉРАН

Sur la Carrière

Produced from a small limestone based parcel located on a hillside overlooking an old quarry. The vines were planted in 1970. This golden color wine displays rich and complex aromas of exotic fruits, honey, citrus fruit with hints of vanilla and soft spices. Rich, powerful and well-balanced in the mouth with notes of cinnamon, honey and exotic fruits combined with well-integrated oak. A long silky finish.
