

2020 Domaine des Brangers Menetou-Salon *France – Loire Valley – Menetou-Salon*

ABOUT THE WINERY

Located in the heart of the Loire Valley, in the Menetou-Salon appellation, Domaine des Brangers was founded by the Chavet brothers who are one of the most renowned winemaking families of the Menetou-Salon Appellation. They rebuilt the vineyard at the end of the 1970's with the aim of producing a quality wine while respecting tradition and nature. Antoine de la Farge took over the estate in 2019 with the greatest respect for what has been done by its predecessors and with the desire to maintain the identity of the domaine.

ABOUT THE WINE

This 100% Sauvignon Blanc is crisp and refreshing with rich, ripe lime and grapefruit aromas. Elegant, beautifully rounded, harmonious and well-balanced, a mineral style and a smooth and long finish. It is ideal as an aperitif and a great match with shellfish, smoked and grilled salmon, goat cheese.

RATINGS

88 PTS **Wine Enthusiast**

"This wine is rich while also intensely herbal. The ripe fruits are still young, vibrant with acidity and a mineral texture. Give the wine a few months and drink from 2022. - ROGER VOSS"
