## CROZES-HERMITAGE

### *La Rochette* 2019

"The medium to full-bodied 2019 Crozes Hermitage La Rochette features swirls of red and black fruit, with a nice savory touch of black olives. It's concentrated and somewhat tannic, with a rich, velvety mouthfeel and a long, chewy finish. Undestemmed and matured only in older oak, it's a classic expression of granite-based Crozes.- Joe Czerwinski"
