

Ferren Wines

2020 Vintage - *Technical Sheet*

Sonoma Coast Pinot noir

The Sonoma Coast bottling is a blend of barrels from our single vineyard offerings; roughly half Silver Eagle Vineyard and half Frei Road Vineyard. The wine is always somewhat more approachable early in its life as we use less new oak in the blend. Pure and translucent fruit is the hallmark of this *cuvée*. Blue and black fruits predominate on the palate with silky, polished tannins providing a seamless mid-palate and finish.

156 cases produced.

Soil:	Fine, sandy loam (Goldridge)
