VIRÉ-CLESSÉ

RETOUR A LA TERRE

2020

"Notes of clear honey, freshly baked bread, orange blossom and waxy citrus fruits introduce the 2020 Viré-Clessé Retour à la Terre, a medium to full-bodied, ample and textural wine framed by racy acids and chalky structure. As readers may remember, this bottling derives from old vines growing in a clay-rich parcel whose grapes were vinified in clay amphora. - William Kelley"
