## JEB DUNNUCK

"Coming from more volcanic, south-facing soils, the 2018 Pinot Noir Apocrypha was 15% destemmed and will see 16 months in 20% new barrels. It's a slightly darker-hued and darker fruited effort offering lots of blue fruits, iron, violets, and mineral aromatics. While it was basically not destemmed, there are no obvious stems on either the nose or palate, and it's beautifully balanced, has bright acidity, medium to full-bodied richness, and a great finish. It's another rock star of a Pinot Noir from Todd Alexander."
