JEB DUNNUCK

"Coming from a warmer than average year for Oregon, the 2018 Pinot Noir Memorialis comes from a west-facing hillside of sedimentary soils located in the heart of the Willamette Valley (not far from Beaux Freres and Shea Vineyard).

All Pinot Noir that was 20% destemmed and brought up in 20% French oak, it shows a textured, incredibly elegant profile that has a perfectly integrated style, lots of raspberry and strawberry fruits, and classic Pinot Noir notes of dried flowers and spice. It should be approachable right out of the gate, yet given its balance, it should also evolve for 10-15 years."
