## 2019 JIP JIP ROCKS CHARDONNAY

Australia - Padthaway

### ABOUT THE WINERY

Since 1851, five generations of the Bryson family have been involved in agriculture and the unique and fertile land of South Australia. The family business that became Morambro Creek was built by Clive and Elizabeth Bryson, who have now handed the day-to-day operations over to their sons Andrew, David and Paul.

In the early 1990's, the Brysons decided to take the plunge and plant vines on their property. Initially, their plan was to sell these grapes to the big wine producers. However, after a few vintages, the desire to see the fruits of their labor was too great to resist. In 1998 they held onto a small selection of their fruits and sent it to the Cape Jaffa Winery. Their own wine - named for the Morambo creek that meanders through the property - was born.

The vineyards are located in the historic Padthaway valley, 300 km south of Adelaide. The farm consists of 470 acres, divided into two parcels, equal in size. Annual production is around 30,000 cases. The vines enjoy a cool climate with plentiful winter/spring rainfall; limestone subsoil provides excellent drainage

### ABOUT THE WINE

The Jip Jip vineyard is planted in some of the world's oldest mineral rich soils and in the most temperate of maritime climates. It consistently produces excellent fruit quality from low yielding vines. Great attention to detail with the integration of fruit flavors and fine oak barrels helps produce classic handcrafted wine styles.

Light yellow with a pale straw hue. A classic nose of lemon, fresh stone fruit and melon. The palate is clean and fresh with mineral characters underpinning ripe pineapple and lime flavors. Extended lees contact adds texture and complexity.
