## CORNAS 2021

"Bright and intense both in color and in aroma. Hyper-fresh, searching berry fruits, this is electric. Rounded, with plump berry fruits that are concentrated and fresh. The tannins are intense too, grippy and strict on the long finish. This is almost painful to taste at this stage, but should be excellent in time. Vines with an average of 35 years of age, from lieux-dits Saveaux, Patou and Les Côtes, all destemmed and then aged in two- to five-year-old demi-muids. - M.WALLS"
