"Lastly, the 2019 Cornas Mère Michel is one of the finest Syrahs in the report. Dense purple-hued, with a brilliant, powerful nose of ripe blackberries, graphite, charcoal, ground pepper, and barbecued meats, this thrill-a-second wine is full-bodied and has incredible purity of fruit, building tannins, a stacked mid-palate, and one heck of a great finish. It will probably merit a perfect rating in 5-7 years and have 30 years of longevity."
