Chardonnay 2017

LOWER DUIVENHOKS RIVER

93

PTS

i-winereview.com

"Delicate, precise nose with hints of lemon and flint. A finely sculpted wine that evokes oyster shells, savory sage. Mandarin pith and lemon zest notes persist on the extended finish. Made entirely from Dijon clone CY95. Part of the GPS Series, the vineyard lies east of Agulhas and 5 km from the sea on an escarpment of clay over limestone. Sees about 40% new 228L oak."
