WINE ENTHUSIAST Wine Spectator

"This is an engaging mix of nectarine, ripe citrus and kiwi flavors that are full of tarragon cream and dried sage hints. Complex and layered, it features some white-chocolate notes that linger on the spicy finish."

"Beautiful and with real appeal, this shows Riesling character, with white peach, apricot and pronounced floral notes as well as intriguing warm earth and lentil details. This is balanced by savory acidity and bitter-edged minerality, with a lengthy finish marked by a note of smoke."
