"(raised for 20 months in a 50/50 mix of new French and American oak barrels) Deep, lurid ruby. Displays expansive, oak-spiced red/blue fruits, spicecake, vanilla and a sexy floral quality on the deeply perfumed nose. In a fruit-forward, seductive style, showing no rough edges and very good clarity to its sweet boysenberry and cherry flavors. The floral note comes back strong on a long, supple finish that betrays just a hint of fine-grained tannins. - Josh Reynolds"
