

MAIPE MALBEC ROSE

Casir dos Santos

Argentina - Mendoza - Maipu Valley

ABOUT THE WINERY

Maipe is a KyselA trademarked wine produced by Casir dos Santos. Founded in 1862, Casir dos Santos is one of the oldest wineries still operating in Argentina. They make wine from the Uco Valley, Lujan de Cuyo and Maipu. The Maipe wines are produced from Casir dos Santos' Lunlunta vineyard in Maipu, which features 13 hectares of old vine Malbec, some over 100 years old. Casir dos Santos wines are made by head winemaker Fernando Ottaviani and world-renowned winemaker and consultant Didier Debono.

ABOUT THE WINE

Maipe means "Lord of the Wind" in Quechua. The Andean people still invoke his name to clear the skies after a heavy rain, or to temper the summer heat.

Lovely salmon color with a fresh, red fruit bouquet. Strawberry and cherry flavors, balanced acidity, and a dry, lingering finish.
