JAMES SUCKLING.COM 

"A complex and beautifully balanced Chateauneuf for the challenging vintage with a wide spectrum of fruit aromas ranging from ripe cherry to wild blackberry, but also wild herbs and summer flowers. Barely full-bodied thanks to the mineral freshness and the crisp tannins. A cuvee of 80% grenache, 10% mourvedre, 5% syrah and 5% vaccarese. From biodynamically grown grapes with Demeter certification."
