"This Syrah, Grenache, Mourvedre blend grows on 40-year-old vines among the galets roulés - large stone pebbles, on sand and clay soils. While 10% is fermented in used casks, 90% of the wine goes in stainless steel. It's a garden of heather and sage, with chocolate mint and salted, cured meats and anise. Its prowess shows in its red fruit aromas, its elegant mouthfeel, and freshness on the palate."
