

RINALDI REDREAM

"The non-vintage Rinaldi Red Dream, which comes from 100% Malvasia Nera, has about 7% alcohol, so it is slightly more potent than its two siblings. Gorgeously fresh and frothy, with loads of cherry, honeysuckle, spice box and spring flowers, this is an exciting party wine that is brilliantly packaged, and I doubt a person can be found who would dislike it."

KYSELA PERE of PLS, LTD.
