

2017 RUBUS NAPA CABERNET SAUVIGNON

United States – California – Napa Valley

ABOUT THE RUBUS PROJECT

The Rubus Project was created by specialty importer Fran Kysela as a way to source & sell incredible wines at value prices. All wines in this international project are hand-selected by Fran Kysela. Rubus wines are fruit driven, true-to-type values that over deliver – a true representation of quality for the consumer at an excellent price.

ABOUT THE WINE

The long finish on this superb Napa Cab displays full mature flavors of blackberry, currant and chocolate with just a hint of toasty oak and black cherry. The tannins are refined and polished, allowing the fruit to be the focus.
