

# CHÂTEAU DE SÉGRIÈS

## TAVEL

2021

"One year older than most of the wines in this report, Ségriès's 2021 Tavel is still a nice deep ruby hue and still nicely floral on the nose, with hints of garrigue and violets accenting cherries and red berries. Full-bodied, round and expansive on the palate, it retains some zestiness as well, with notes of brine and citrus on the lingering finish. It's a blend of 50% Grenache, 30% Cinsault and 10% each Clairette and Syrah. - Joe Czerwinski"
