WINE ADVOCATE

"The harmonious and classical 2017 Cabernet Sauvignon might not be a fashionable wine, but it feels very honest, somehow old style and traditional, balanced, smooth, focused and clean. It has some 10% Syrah in the blend. It has bright flavors, young and fruit-driven, still very young and primary. Seeing how the 2015 Malbec is aging, I wouldn't be worried to lay the bottles for another couple of years; this Cab has the stuffing and balance. It has moderate alcohol and good freshness and comes through as balanced and gentle. 6,000 bottles produced.
