WINE ADVOCATE

"A blend of 80% Chardonnay and 20% Pinot Noir, the NV Brut begins with biscuity aromas followed by green apple, citrus blossoms and lees. The palate is focused with precision and finesse and shows that the winemaker has taken a lot of time and effort to create this wine. Bright, energetic acidity livens up the mid-palate, and the mousse is firm with a soft nuttiness from the autolytic characteristic. The finish is long and subtly spicy and lingers with notes of sweet brioche and cashew butter, as the wine spent two years on the lees. - Anthony Mueller"
