## Bodegas Bre<u>ssia</u>

## Argentina - Mendoza

Walter Bressia, owner and winemaker of Bodegas Bressia, has been in the Argentine wine trade since the early 1980's. Before founding his family winery in 2003, he was the winemaker at Bodega Vistalba and Viniterra. Walter and his wife Marita, along with daughters Marita & Antonella and sons Walter Jr. & Alvaro, produce some of Argentina's finest wines.

Walter is one of the most respected winemakers in Argentina, and his concept involves the notion of "Vinos de Autor" (Author's wines) or personalized high-quality wines. Bressia has 320 oak barrels, almost all new French and American oak (60% French, 40% American).
