

Chateau Oumsiyat Carignan
Chateau Oumsiyat
Lebanon - Mount Lebanon

A complex Carignan mixing black fruits and spices. Intense color and fine structure with rounded tannins and volume in the mouth.

RS: 2g/L

Specifications

Varietals	100% Carignan
Soil type	sandstone clay planted at 1200 meters above sea level
Vinification	The fruit was carefully sorted to ensure only healthy, ripe grapes were vinified. Traditional fermentation took place in stainless steel tanks at controlled temperatures of 28°C with selected yeasts. Remontage or pump overs took place periodically to oxygenate the wine and extract tannins. A short post-fermentation maceration took place to extract color, flavor and impart structure to the wine. Ageing in stainless steel preserved the integrity of the pure fruit character. The wine was lightly filtered before bottling.

Codes, Weights and Measures

UPC	5 285006 630467
Units/Case	12
Unit Size	750 mL
Container	bottle
SCC	TBD
Case Weight	32
Cases/Pallet	28
Layers/Pallet	14
ABV	14.50%
SRP	\$ 19.00 USD 750mL Bottle
