

Chateau Potensac Médoc

Chateau Potensac

France - Bordeaux - Medoc

The estate's Grand Vin's vineyards are located west of the village of Ordonnac where the vines grow on gravelly-clay soils. They produce a very fine wine with tight texture, richness and wonderful freshness. On the palate, the wine is pure and powerful, with great concentration, dense and spicy tannins, and mineral tension. Fresh and full-flavored with ripe black fruits, and a finish of great depth. Thanks to these qualities, Château Potensac is often considered to represent the "pure Medoc style". It should be noted that Potensac was the only "Cru Bourgeois Exceptionnel" of its appellation, and certainly one of the most persistent ever produced at this stage.

Specifications	
Appellation	Medoc
Wine Type	Red
Varietals	44% Merlot, 33% Cabernet Sauvignon, 22% Cabernet Franc and 1% Petit Verdot
Age of Vines	Average 45 years (oldest vines are 80 years old)
Soil type	Gravel soils
Vinification	2020 - A complicated vintage from start to finish: early, wet and then dry, the vines of this splendid terroir required constant work to convert these delicate conditions into extra soul. The harvest was of high quality, even if not very abundant, offering an exceptional maturity of tannins and minerality.
