

# Chateau Roby Loupiac

Vignobles Larriaut

France - Bordeaux - Loupiac

This two-hectare estate is run by Colette Larriaut who inherited from her parents Jean and Denise Boutet. Colette focuses on traditional winegrowing and winemaking methods and keeps the passion and precision required to produce great sweet wines.

Château Roby Loupiac is built over time. More time is allowed to ferment and mature in order to produce a wine of character, a sweet wine marrying candied fruits, white fruits and white flowers with a remarkable freshness. The finish is long and very pleasant.

Loupiac is a very good alternative to Sauternes. It is less sweet and syrupy and has a nice balance and a delicious mouthfeel.  
RS is around 60gr/L
